

PROGRAM CURRICULUM- 3 Year Track

DUTY HOURS

- In the row requesting duty hours, the numerator is the usual number of hours/week worked and the denominator is the longest consecutive hours during that week.
- IH indicates in-house call (IH).
- Asterisks denote the rotations that are call free.
- AH indicates at-home call (AH)

*According to the program requirements, each fellow is required to have 12 months in an ED caring for patients 21 years old and younger for full spectrum pathologies.

- PEM = Pediatric Emergency Medicine
- ED = Emergency Department
- PICU = Pediatric Intensive Care Unit
- EMS = Emergency Medical Services
- A = Administrative (may include duties such as performing a quality review project with the associate ED director, presenting at and attending a hospital peer review committee, specific meetings to attend with the ED director, conference attendance, and others).
- All PEM months include research. All fellows are expected to work on their research throughout the year
- 4 weeks of Vacation is built into the PEM months
- Fellows only have in house calls on PICU and Trauma. All other months either represent shift work only, or are call-free, unless the fellow chooses to spend extra time on call during elective or orthopedic months.
